

WITH THIS EXTENDED LIMITED WARRANTY, YOUR WATER HEATER INVESTMENT IS PROTECTED FOR **TEN YEARS**

EXTENDED LIMITED WARRANTY DETAILS

The water heater you have purchased has been built for professional installation only for reasons of safety and maximum performance. As such, the manufacturer approves this product for an extended limited warranty. As part of the limited warranty several procedures must be completed.

1. The water heater must be installed by a plumbing and heating professional.
2. The water heater installation must adhere to all federal and local codes and be properly installed according to the manufacturer's specifications.
3. The extended limited warranty may only be sold through an authorized wholesaler or the installing plumbing and heating professional and not from any other source.
4. The purchase of this extended limited warranty must be in accordance with the manufacturing guidelines which:
 - a.) Requires the date of installation and the inception of the limited warranty to be within 6-months of the manufacturing date of the product in order to be eligible. The manufacturing date code is stated on the rating plate of each Bradford White water heater. If further assistance is required, please contact the warranty department at 800-531-2111.
 - b.) This extended limited warranty applies to approved use of Bradford White tank-type residential water heaters only.
 - c.) The extended limited warranty registration card must be properly completed and signed by the licensed installer. The card must include the model number and serial number from the rating plate. This card must also be mailed to Bradford White within six months of the manufacturing date of the water heater for the extended limited warranty to be valid.

BRADFORD WHITE
CORPORATION

NOW OFFERS **TEN YEAR LIMITED WARRANTY PROTECTION**

With a 10 year limited warranty upgrade package, everyone will have the peace of mind of knowing that their water heater and parts are protected against failure for 10 years. Bradford White now offers the option to purchase this added protection on most popular residential water heaters. Take advantage of this special offer and enjoy all the benefits of this protection plan.

HERE'S HOW IT WORKS:

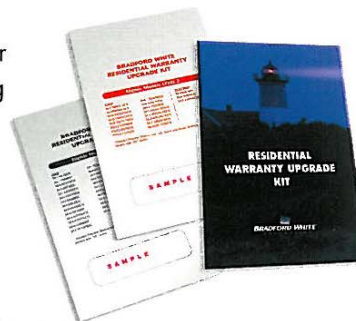

Simply fill out the registration card included in the limited warranty upgrade protection package, drop the prepaid postage card in the mail and place the 10 year protection sticker on the Bradford White water heater. If there should be any problems with the water heater up to 10 years after the date of installation, Bradford White will provide a replacement part or replacement water heater*.

*See limited warranty document for terms and conditions.

YOUR PROFESSIONAL INSTALLER WILL HELP YOU REGISTER YOUR WATER HEATER

When filling out the registration card, your professional plumbing and heating installer will help you identify the required information including the serial number and model number of the water heater.

The serial number is the fingerprint of the water heater and means it is registered to you for the life of the limited warranty.
