Volunteers are not paid -- not because they are worthless, but because they are priceless.

Dear Friend,

I am writing to thank you for your support on the home for SSG Matthew Keil. Your work and that of your fellow volunteers is an essential element of the work that Homes for Our Troops is doing in Colorado and throughout the country.

The home for SSG Keil is the 32nd home presented by Homes for Our Troops'. We have 21 additional homes in various stages of construction throughout the Country. The service members we serve have bravely stepped forward to fight and protect our freedoms. When individuals step forward and give of their time, talent and treasure to projects such as this, we truly see the best of America at work.

We are grateful for all that you have personally contributed to this project and to the mission of Homes for Our Troops.

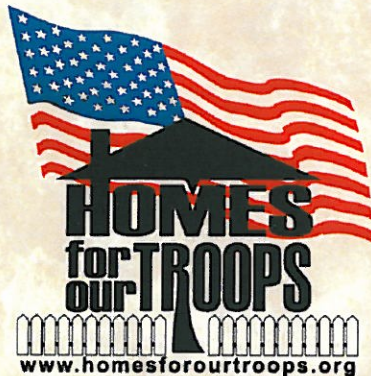

To see pictures from Matt and Tracy's home and to find out about other projects, or to sign up for our e-newsletter, please check out our website www.homesforourtroops.org.

Thank you again for your support of Homes for Our Troops and the Veterans we serve.

Sincerely,

John Gonsalves

Homes for Our Troops builds new or adapts existing homes for handicap accessibility for our servicemen and women who have selflessly given to their country and have returned home with serious disabilities and injuries.
